

TREKS & ADVENTURE TOURS

Papua New Guinea has a vast range of trekking and adventures on offer. These ranges from soft to moderate to very hard depending on the physical fitness and “spirit of adventure” one has to encounter. Our un-spoilt rainforests, rivers, mountainous regions and incredible scenery have made Papua New Guinea a country with popular option for both amateur and professional bushwalkers, trekkers, rock climbers, cave explorers and mountaineers. There are options to suit everyone, ranging from short tour around local villages to weeks of rafting and trekking with tour operators like Country Tours.
